Starting school in September 2026

You can apply for a primary, infant or junior school place from **3rd November 2025** if your child:

- was born between 1st September 2021 and 31st August 2022, or
- is leaving Year 2 of an infant school in July 2026

Every school has admissions criteria which set out how they allocate places, you can find this information on our school website. Your application will be considered and ranked according to the admissions criteria.

You can apply online via the Surrey County Council website using eAdmissions (you will need to set up an account with an email address) or make a paper application. The deadline for applications is **15th January 2026**.

Any supporting evidence, documentation or supplementary information must be provided with your application by the deadline.

If you have applied online, you will be emailed the outcome on the evening of the **16th April 2026**. If you have made a paper application, you will be written to on 16th April 2026.

You are required to accept or decline the place offered by **30th April 2026** by logging into your eAdmissions account or by letting Surrey County Council know via email.

If you are not offered your first choice of school and are unhappy with the outcome, it is recommended that you accept the place you have been offered. This then ensures that your child is guaranteed a school place for September. Your child's details can then remain on the waiting list for your preferred school as there is often movement after the first round offers.

Further information can be found on the Surrey County Council website.
