To write an article

To discuss the effectiveness of my article

Cross-curricular Links

Enrichment Opportunities ('Learning in Action')

Learnacy + Y Factor

What is fake news?

Why do you think fake news exists?

What will get good search results?

What will not? Why?

Why do we take notes and not copy the information out word for word?

Are these good examples of note taking?

How will you present your information?

Why have you chosen this way?

How is your article effective?
