

15th May 2026

Dear Parents and Carers

We are particularly proud of our Year 6 children this week as they faced their SATs exams. They remained calm and focused throughout. The children have worked very hard (as have staff) in the build up to this week and all did their very best.

## Year 3 Master Chefs!

Year 3 designed and made their own pasta salads this week, thoroughly enjoying the opportunity to experiment with their ideas for recipes.

## Sport News

Congratulations to our Year 3/4 girls football team who played in a tournament last Friday. Great defending and brilliant goal scoring by Kornelija and Amelia helped the team to come joint first overall.

If your daughter is interested in playing football out of school, there are several teams in and around the Horley area who are currently looking to add more girls to their squads. *Alison Burgess (co PE leader)*

## Half Term Activities

Please see page two for further half-term activities provided by Horley Cricket Club and Horley Library. See previous issues of the Friday Flyer for more activity ideas for half term.

## Minecraft Coding Club

This is a relatively new club which is using our site as a base. See more details on page 2.

## Wellbeing Support

An organisation called 'Waythrough' are offering free workshops in the East Surrey area to support wellbeing for people aged sixteen or above. Please see [Waythrough Professional Groups Quarterly Newsletter.pdf](#)

## INSET Day on Monday 15th June

Please make sure you have this date in your diary, as the school is closed to children on this day.

### Dates coming up...

\*\*\***HALF TERM BREAK - Monday 25th May to Friday 29th May**\*\*\*

## MINECRAFT CODING

### VISUAL PROGRAMMING

Afterschool Club

Discover Minecraft like never before - with Minecraft Coding! Dive into the world of visual programming and unleash incredible powers in the game you love. Perform super jumps, command your agent to build amazing structures, and even make your horses bust out dance moves! Get ready for non-stop fun as you learn to code and transform the way you play Minecraft. It's coding, creativity, and epic adventures all rolled into one!

"Visual programming bridges the gap between thought and action, making coding feel less like a barrier and more like an adventure!"

DATES	TIME	PRICE
3rd June, 10 <sup>th</sup> June, 17 <sup>th</sup> June, 24 <sup>th</sup> June, 1 <sup>st</sup> July, 15 <sup>th</sup> July	Wednesdays @ 3:15 - 4:15 pm	£8.50 for each session

BOOK HERE : <https://portal.jamcoding.franscape.io/class-overview/6049>

Use link or code to book

Click the link above to view course details OR visit our website and head to the booking tab. Enter your postcode in the locations field and click search to view courses. Then select the school or venue you require.

N.B. You can only attend courses held at the school that your child attends. You can also search by the school postcode.
