

18th September 2026

Dear Parents and Carers

Please find below the class email addresses you may use to contact class teachers. Of course, you may still use Studybugs and the main school email address:

info@yattendon.surrey.sch.uk

Pick Up Arrangements

Please make sure you tell us if the pick up arrangement for your child changes **by midday**. Thank you to all parents who come into the playground for waiting behind the green barriers in the year group zones. This makes it much easier for class teachers to spot you and safely match you with your child.

Safeguarding - Important Information

We take the wellbeing and safety of our children very seriously, as you would expect. Safeguarding concerns may be brought to the attention of our DSL (Designated Safeguarding Lead) team. At the bottom of this page (and every Friday Flyer) is a link that takes you to the safeguarding section of our website. This includes useful information, including our child protection and safeguarding policy.

School staff are regularly trained in safeguarding and how to spot signs of harm. The sad, but necessary message 'it could happen here' means we all have to be vigilant as a school community.

Our Designated Safeguarding Leadership team may be contacted (non-urgent concerns) via DSL@yattendon.surrey.sch.uk. Our team from September 2026 is below:

DSL Team

Designated Safeguarding Lead: **Guy Perkins**

Deputy Designated Safeguarding Leads: **Emily Millican** (Deputy Head), **Karen Burgess** (HSLW) and **Kirsty Morgan** (Assistant Head)

Urgent safeguarding concerns concerning a child should be reported (outside school hours) to Surrey Social Services. They can be contacted on: 0300 470 9100, Emergency Duty Team: 01483 517898

Breaktime Snacks

If you wish for your child to have a breaktime snack, please only provide fresh **fruit or vegetable**. These should be in separate (labelled) container so children may take this to their classroom and have it ready for break.

Nut-free School

Please remember that some of our children have allergies and we are a nut-free environment. Many snack bars contain nuts and some spreads such as Nutella. Please be mindful of this when buying items for your child's packed lunch.
