Dear Parents and Carers

Funding Help – School Fund Donation

We continue to be committed to providing your children with the best all-round education possible despite the continuing challenges of funding shortfalls and spiralling costs.

In the recent past your generosity helped to furnish and equip a new nurture room as accommodation for the mental health services we provide in-house.

This year we want to improve playground facilities by providing a shaded seating area. We would like to carpet this with artificial turf so that it may be used all year round. Money we raise from your kind donations will be put towards this project.

We are now asking for a voluntary donation of £20 from each family. As last year, we would ask that you consider donating more to the school as a one-off payment, **or** - as a more affordable alternative - consider **a monthly donation to the school by setting up a standing order.** The amount would be entirely up to you. We would just be grateful for the donation.

If making a one-off payment, please pay online using the Tucasi payment system (www.scopay.com/yattendon) against 'Miscellaneous - School Fund Donations'. If you wish to set up a standing order, please use our bank account details below.

Bank Account for standing orders: 'Yattendon School' at Lloyds Bank. Sort code: 30-94-38 account: 45577160

If you have already made a donation this term

We have already requested a voluntary donation from children who have joined us this term and are very grateful for the donations we have received so far. If you have already made a contribution, please ignore this letter.

We are very grateful for your consideration and can't emphasise enough how useful any voluntary contribution you make will be to enhancing your children's educational experience.

Best wishes

Guy Perkins
