Dear Parents and Carers

We are glad to see that most of you have installed Studybugs and are able to communicate with us via this app. We pride ourselves in our communication – something that parent survey results tell us is a strength of our school.

In addition to Studybugs, you may also contact us via the main school email address or contact class teachers directly using one of the class email addresses below. Please also see page two for what you do if you have a safeguarding concern.

We would encourage you to raise any concerns with class teachers in the first instance.

Finally, to help us with the number of enquiries our school office handle, please do read the weekly Friday Flyer and other communications we send out.

Thank you, as always, for your support.
