This template can be used for multiple purposes:

- It enables schools to effectively plan their use of the Primary PE and sport premium
- It helps schools to meet the requirements (as set out in guidance) to publish information on their Primary PE and sport premium
- It will be an effective document to support Ofsted inspections enabling schools to evidence progress in Physical Education (PE) and evidence swimming attainment, which forms part of the PE National Curriculum. We would recommend schools consider the Intent, Implementation and Impact of any spend, as examined within the Education Inspection Framework.

It is important that your grant is used effectively and based on school need.

Schools must use the funding to make **additional and sustainable improvements** to the quality of the PE, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- Develop or add to the PESSPA activities that your school already offers.

**The Primary PE and sport premium should not be used to fund capital spend projects; the school's core budget should fund these. Further detail on capital expenditure can be found in the updated [Primary PE and sport premium guidance](#).**

The Primary PE and sport premium guidance, outlines 5 key priorities that funding should be used towards. It is not

necessary that spending has to meet all the key priorities, you should select the priorities that you aim to use any funding towards.

Although completing this template is not a requirement for schools, schools are required to publish details of how they spend this funding. Schools must also outline what the impact this funding has had on pupils' PE and sport participation and attainment and how any spending will be sustainable in the future. **All funding must be spent by 31st July 2024.**

The Department for Education has worked closely with the Association for Physical Education (afPE) and the Youth Sport Trust (YST) to develop this template and encourages schools to use it. This template is an effective way of meeting the reporting requirements of the Primary PE and sport premium.

## Review of last year's spend and key achievements (2022/2023)

We recommend you start by reflecting on the impact of current provision and reviewing your previous spend.

Activity/Action	Impact	Comments
We reviewed our PE provision for indoor PE of the PE Curriculum following staff feedback. Staff felt they need more guidance on PE teaching. Our sports coach has modelled teaching our outdoor games. Following research and discussion with other schools, we trialed a new PE scheme called Get Set 4 PE. The two week trial evidenced that teachers felt they were more skilled to teach PE and children were more engaged.	Children more engaged. Teachers' skills enhanced.	
We have reviewed the clubs offered at our school to try and ensure greater breadth in our offer.	Wider range of sports club offered to all children.	
We have improved our recording of which	More tournaments offered to engage	

<p>children are selected for PE activities and tournaments to ensure more of our disadvantaged children are included and offered these opportunities.</p> <p>We have increased the number of tournaments on offer across our local area through collaboration with other local schools.</p>	<p>particular in our 'inspire' and pupil premium children.</p>

## Key achievements 2023-2024

This template will be completed at the end of the academic year and will showcase the key achievements schools have made with their Primary PE and sport premium spending.

Activity/Action	Impact	Comments
Sports Crew training	Wider range of sport activities offered and led by children.	
LSA training	Increased confidence for lunch time and playtime staff to deliver wide range of physical activities to children of different abilities.	
Ongoing CPD for teachers and LSA's	PE curriculum offers a wider range of sports than in previous years. Staff feel more confident and equipped to teach these. Less engaged children are offered a wider range of activities.	

## Swimming Data

Meeting National Curriculum requirements for swimming and water safety.

*Priority should always be given to ensuring that pupils can perform safe self-rescue even if they do not fully meet the first two requirements of the National Curriculum programme of study*
